24 February 2020

FINAL STAGE OF MARINERS COVE RELEASED

Those looking to live along Mandurah's picturesque canals are being invited to visit two stunning new display homes at Hampton's Edge – the luxury waterfront development recently released in Mariners Cove.

WA developer Cedar Woods has partnered with local award-winning builder Cachet Homes to deliver 25 unique house and land packages designed with Hamptons style finishes and exclusive access to private boat moorings.

Cedar Woods WA State Manager Ben Rosser said the Hampton's Edge development represented the last stage of the Mariners Cove estate and offered a rare opportunity for home buyers to purchase a brand new home along the canals.

"Mariners Cove was one of Mandurah's original canal developments, offering the perfect opportunity for people looking to live the idyllic waterfront lifestyle," Mr Rosser said.

"The premium location has been popular amongst buyers wanting to live in a very unique setting and we believe that these packages, which offer a variety of spectacular views of the Mandurah estuary and canals, will be extremely sought-after."

"Hampton's Edge is the last stage of Mariners Cove and the last chance to build and buy in this desirable location."

Estuary facing homes are now selling from \$629,000* with the first release already sold out, and the second release selling fast.

Cedar Woods is inviting the public to come and view the two new display homes on Saturday March 7th from 9am – 11am, with morning tea and coffee provided. Hamptons Edge is located on Waterlily Drive, Dudley Park.
