### **NEW DOG PARK OPENS AT BUSHMEAD**

Dog owners in Perth's east have a new open space to take their pooch to with Greenslope Dog Park at Bushmead now open.

The dedicated dog park boasts walking paths for leisurely strolls, a grassed area for active play and a fully fenced dog exercise area, giving residents peace of mind when their furry friends are off the leash.

Cedar Woods WA State Manager Ben Rosser said a key feature of Bushmead was the 185 hectares of retained bushland and Greenslope Dog Park complemented the natural surrounds.

"There are three major parks and open spaces at Bushmead, all of which are connected by pathways, giving residents and neighbouring locals the opportunity to fully appreciate and explore the beautiful bushland native to the area," Mr Rosser said.

"We understand a lot of our residents and neighbours have dogs and they are an important part of the family.

"Cedar Woods is really pleased to be able to offer a space created especially for dogs and their owners – and all dog lovers in the community."

The dog park is located at the corner of Greenslope Drive and Freeman View in Bushmead.
